## English Conversation & Pronunciation

Are you having trouble expressing yourself in English? Feeling frustrated and confused trying to communicate with others at school, or at work?

Gain the confidence to express yourself in daily situations and social interactions.

This class is designed for non-native intermediate to advanced students, who wish to increase their ability to communicate in English. The course will focus on pronunciation and conversation practice to improve accent, increase speech clarity, and prepare the student with communication skills useful to confidently converse at work, at school, and in everyday life.
